### INSURANCE

This summary of the association's policies of insurance provides only certain information, as required by subdivision (e) of Section 1365 of the Civil Code and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provisions of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance does not cover your property, including personal property or, real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

### NOTICE TO MEMBERS

IN ACCORDANCE WITH CIVIL CODE SECTION 1363.05 (e), ASSOCIATION MEMBERS ARE ADVISED OF THEIR RIGHT TO RECEIVE MINUTES OF DIRECTOR'S MEETINGS WITHIN 30 DAYS FOLLOWING THE MEETING. MINUTES ARE SENT TO MEMBERS IN THE FOLLOWING FORMAT:

U.S. MAIL.  
PERSONAL ELECTRONIC MAIL, (When selected by the Member).  
POSTED ON THE ASSOCIATION WEBSITE

**Extract from California Civil Code § 5730  
Notice Regarding Assessments and  
Foreclosure**

**NOTICE ASSESSMENTS AND FORECLOSURE**

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

**ASSESSMENTS AND FORECLOSURE**

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure or without court action, often referred to as non-judicial foreclosure. For liens recorded on or after January 1, 2006, an association may not use judicial or non-judicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or non-judicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 Part 5 of Division 4 of the Civil Code. When using judicial or non-judicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or non-judicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use non-judicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) Chapter 8 of Part 5 Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code).

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

## PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise. An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

## MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exist. (Section 5665 of the Civil Code)

The board of directors must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code).

### ALTERNATIVE DISPUTE RESOLUTION

Beginning January 1, 1994, California law provides that when the owner of a separate interest (a Homeowner) or the common interest development (CID)/association brings an action: a) solely for declaratory relief or injunction relief; or

b) either of those in conjunction with a claim for monetary damages; (Other than Association Assessments, not to exceed \$5,000)

relating to the enforcement of the governing documents of the association, they shall endeavor to submit the matter to alternative dispute resolution (ADR).

What this means, in general, is that in those prescribed types of disputes, before filing a lawsuit, an attempt must be made to settle. This must be done in a semi-technical manner. The method of beginning the attempt at ADR is to serve on the opposing party a Request for Resolution. With certain exceptions, the law requires a certificate be filed with any civil action, certifying compliance with the above stated requirements.

Please be advised that the statement above is intended to be only the broadest of interpretations and merely to advise that such a law exists. There are a number of other factors involved, including attorney's fees; arbitration or mediation costs; and the results of not conforming to this law (*Civil Code § 5825 through 5965*).

The California legislature has also provided that each year your Association must send out a summary of this law and that summary must specifically include the following excerpt of the law:

**“Failure by any member of the association to comply with the pre-filing requirements of § 5930 of the *Civil Code* may result in the loss of your rights to sue the association or another member of the association regarding enforcement of the governing documents”.**

As you can see, failure to comply with this law may prejudice your rights. We strongly urge each one of you to carefully read the statute and consult with an attorney prior to commencing any litigation regarding the enforcement of the governing documents.

## INTERNAL DISPUTE RESOLUTION PROCEDURE

The California Legislature has adopted new regulations codified in *Civil Code Sections 5900 through 5920*, which require Associations to adopt fair, reasonable and expeditious dispute resolution procedures, effective January 1, 2005. This separate and apart from, and precedes, the formal ADR (Alternative Dispute Resolution) requirements set forth in *Civil Code Section 5925 through 5965*. The Association has adopted the following procedures as required under such law:

1. The Association or an Owner may invoke the procedures herein by submitting a request to the other to meet and confer in an effort to resolve any existing dispute. The request must be in writing.
2. An Owner may refuse a request to meet and confer made by the Association with the understanding that further enforcement action may be taken if the dispute is not resolved. The Association may not refuse a request by an Owner to meet and confer.
3. The Association's Board of Directors shall designate a Board member to meet and confer with an Owner.
4. The designated Board member and the Owner shall meet promptly at a mutually convenient time and place. The parties shall explain their positions to each other and attempt, in good faith to resolve the dispute.
5. Any resolution of the dispute agreed to by the parties shall be set forth in writing and signed by the Owner and the designated Board member on behalf of the Association.
6. An agreement reached under this procedure is binding on the Owner and the Association and is enforceable in court if both of the following conditions are met:
  - a. The agreement is not in conflict with law or the Association's governing documents.
  - b. The agreement is consistent with the authority granted by the Board of Directors to the designated Board member or is ratified by the Board.
7. Owners will not be charged a fee to participate in the process.

## **OAK HILLS HOMEOWNERS ASSOCIATION DELINQUENT ASSESSMENT COLLECTION POLICY**

Prompt payment of assessments by all owners is critical to the financial health of the Association and to protect, maintain and enhance the property values of our homes. Your Board of Directors takes very seriously its obligations under the CC&Rs and the California Civil Code to enforce the owners' obligations to pay assessments, and as such, asks that you please read the following practices and policies:

### Due Date

- Regular assessments are due in advance on the first (1<sup>st</sup>) day of each assessment period and become delinquent if not received, in full, by the Association within forty-five (45) days after the due date. Special Assessments and Individual Special Assessments are due on the date(s) specified upon imposition and each installment thereof shall be delinquent if not received by the Association within \_\_\_\_\_ days after the specified due date.

### Late Fees

- A late charge not exceeding ten percent (10%) of the delinquent assessment or ten dollars (\$10.00), whichever is greater, unless the Declaration specifies a late charge in a smaller amount, in which case any late charge imposed shall not exceed the amount specified in the Declaration, shall be due on any such delinquent assessment, unless the Declaration specifies a late charge in a small amount, in which case the late charge imposed shall not exceed the amount specified in the Declaration or the Civil Code.

### Interest

- Interest on all sums imposed in accordance with California Civil Code 1366, including the delinquent assessment, reasonable fees and costs of collection, and reasonable attorneys' fees, at an annual interest rate not to exceed twelve percent (12%), or the amount allowed by law, shall be due commencing One Hundred Eighty (180) days after the assessment becomes due, unless the Declaration specifies the recovery of interest at a rate of a lesser amount, in which case the lesser rate of interest shall apply.

### Payments

- All such amounts and all other assessments and related charges thereafter due to the Association until all such amounts are paid, must be paid in full and the Association shall not be required to accept any partial or installment payments from the date of the institution of an action to enforce the payment of delinquent amounts in the time that all such amounts are paid in full.

### Application of Payments

- All payments received by the Association, regardless of the amount paid, will be directed to the oldest assessment balances first, until which time all assessment

balances are paid, and then to late charges, interest and costs of collection (including attorneys' fees) unless otherwise specified by written agreement.

#### Pre-Lien

- At least thirty (30) days prior to recording a lien on the separate interest property, the Association must provide the owner, in writing, by certified mail all of the information as required by California Civil Code 1365.1. Attorneys' fees and costs in the collection of a past due account will be charged to the delinquent owner.

#### Dispute Resolution

- An owner who is in receipt of a Pre-Lien Notice may request and the Association will comply to participate in a dispute resolution program. The owner may choose Internal Dispute Resolution (IDR) in which the owner will "meet and confer" with the Board or their representatives or they may choose Alternative Dispute Resolution (ADR) with a neutral party to mediate. The cost of ADR will be as provided by law.

#### Notice of Delinquent Assessment (Lien)

- If an owner does not request dispute resolution within thirty (30) days from the date of the mailing of the Pre-Lien Notice, or upon the conclusion of dispute resolution, the Board shall vote in an open meeting to determine whether a Notice of Delinquent Assessment shall be recorded. Any decision to record a Notice of Delinquent Assessment must be approved by a majority of the Board and shall be recorded in the minutes of that meeting. A copy of the Notice of Delinquent Assessment will be mailed by certified mail to all record owners of the separate interest no later than ten (10) calendar days following the date of its recordation.

#### Payment Plan

- An owner may make a formal written request to meet with the Board to discuss a payment plan for the debt described in the Pre-Lien Notice. The Board shall meet with the owner, in executive session, within forty-five (45) days of the postmark of the notice, if the request is mailed within fifteen (15) days of the date of the postmark of the notice, unless there is no regularly scheduled Board meeting within that period.

#### Foreclosure

- Delinquent Assessments, which comply with the provisions of California Civil Code 1367.4, can be collected using Judicial or Non-Judicial Foreclosure of the owner's separate interest property.

#### Redemption

- Property foreclosed upon by the Judicial or Non-Judicial process is subject to the right of redemption as provided by law.

#### Remedies

- In addition, to and/or in place of any other remedy specified in this Collection Policy, the Association shall be entitled to bring an action at law against the owner personally responsible for the payment of the amount due.

#### Attorneys' Fees and Costs

- The Association shall be entitled to charge the owner for the reasonable costs of collection, including without limitation, attorneys' fees, in addition to the late charges imposed in accordance with the Collection Policy.

#### Returned Check Charge

- The Association shall charge a "returned check charge"; our current fee is twenty- five dollars (\$25.00) for all checks returned as "non-negotiable", "insufficient funds" or for any other reason.

#### Mailing Address

- All above-referenced notices will be mailed to the record owner(s) at the mailing addresses provided in writing to the Association by such owner(s). It is the owner's responsibility to inform the Association, in writing of their current mailing address or secondary address.

#### Payment Address

- The mailing address for the overnight payment of assessments is the same as that for routine assessment payments unless otherwise noted.

#### Policy Revision

- The policies and practices outlined shall remain in effect until such time as they may be changed or modified or amended by a daily adopted resolution of the Board of Directors. Owners will receive a revised policy at least thirty (30) days prior to its implementation.
