TREE PLANTING

On Saturday, October 25th, residents, friends and relatives all came together to plant trees in the greenbelt areas of our OHHA community. These trees will add value to our properties as they add beauty to the area. Over one hundred new trees were planted including Monterey Cypress, Incense Cedar and Coastal Redwood. As they grow, the trees will also help to improve the environment.

Thank you to everyone who came out and helped to plant or who provided food for us that day: Terri Tomaso · Rod & Frances Karg · Melanie Bartlett · Barbara & Steve Naslund · Mike, Paula, Nicole & Derek Kuntz and their friends Cody, Patrick and Missy · Al & Joan Brekke · Mystère Sapia and her sister Melody "Mel" Gibson · Jim & Ellen Wrona · Tom and Austria Cho · Tom and Alec Dominy · Pete Lonero · Jerry Gifford.

HALLOWEEN CLEANUP

Halloween evening was relatively uneventful for our neighborhood, with only one incidence of disturbance reported and responded to. Trick-or-Treaters came and went safely. However, there was a fair amount of litter and debris left from the less considerate visitors to our area.

The following morning several homeowners were observed walking through the neighborhood with garbage bags cleaning up what they could. On behalf of the Board and other residents we thank you (you know who you are).

Q&A CORNER: We enjoyed the Holiday Decorating Contest the HOA held a couple of years ago. A lot of homes participated and the neighborhood looked great. Are there any plans that Homeowners Association may have in sponsoring a Holiday Decorating Contest this year?

That sounds like a great suggestion and it will be discussed at the November Board Meeting. If the Board chooses to sponsor this year's Holiday Decorating Contest, there will be specific details in a mailing that will be going out at the end of this month.

If you have a question, please email it to office@oakhillshoa.org and we will do the best to get an answer to you in the next issue.

PILFERING OF PRODUCE

In recent weeks there have been incidents of fruit being pilfered from off trees in backyards. This is not only a petty theft but is also trespassing, neither of which is tolerated within this community. Reports were filed and steps have been taken to identify the individual(s) responsible. As we approach the holiday season these and other such activities tend to increase. It is always good practice to be aware of your own surroundings and what is going on in your neighborhood but especially so at this time of year. If you observe any suspicious person(s) or activity, you are encouraged to contact the Sheriff's department immediately (831-769-8888). Do not attempt to confront individuals yourself.

UPS MADE EASY

Once again the Board has approved UPS's placement of a P.O.D. in the pool house parking lot during the months of November and December. This will be a staging point for package delivery within the Oak Hills neighborhood and will also be a drop-off point for outgoing packages. Contact UPS directly at 1-800-742-5877 for specific directions and availability if you are planning to utilize the drop-off service or go to www.ups.com.
