POOL HEATER STATUS

The Board has received several bids for replacing the pool heater and filter units. Upon review of the bids, the Board has chosen Leslie Pools to purchase and install the new heater and filters. Leslie Pools currently has the heater on order. Once it arrives, they will install the heater and filter. This installation may take a couple of days to complete. During this time, the pool will be closed.

NEW BOARD MEMBER: CYNTHIA SUVERKROP

I have volunteered to serve on the board of the Oak Hills Home Owners Association and fill-in for a vacancy created when a former board member resigned unexpectedly.

I have been a resident of our community since moving here with my husband Dana and our two daughters in 1991. At that time, Dana was on active duty Army and was reassigned from a medical unit in The Netherlands to the Army hospital at the former Fort Ord. We heard about Oak Hills from fellow military families who recommended the neighborhood before we actually moved here. Our decision to live here is one of the best we have ever made.

Because I was a military dependent of an active duty soldier, it meant we moved around a bit. Finding employment required that I be flexible, so out of necessity I have a rather diverse employment history. I have worked as an advertising copywriter, a community newspaper editor/reporter and as an English teacher at the middle school, high school and adult education levels. In 2009 I retired from the Salinas Union High School district as a middle school teacher.

It is my goal to serve on the homeowners' board using the same critical eye and level of diligence that I apply to my own personal financial decisions and to preserve and build an even stronger sense of community in Oak Hills.
