You're Invited to the Community Picnic

The Oak Hills Homeowners' Association is hosting a community picnic on Saturday, Sept 12, from 11-3 at the Recreation Facilities. Tacos, chips and drinks will be provided. For those who would like to bring something, it is suggested that you bring a dessert to share. Come see your friends, meet your neighbors, and the board that serves you.

TREES

How do you preserve the beautiful trees in our greenbelt and protect our neighbors from the possibility of trees falling on their property? The Board of Directors hired an arborist last year to help us find the answers. The arborist surveyed all the trees in the greenbelt near our homes and provided a hazard rating for each tree. Using this survey the tree committee determines the appropriate action to take with each tree. We are in the process of taking corrective action on the trees to insure the safety of our neighbors. If you are aware of a tree that you feel could pose a danger, please contact the office so that we can review the tree and take appropriate action.

HWY 156 Improvements

Two flashing radar speed signs, one facing eastbound and the other facing the westbound traffic, will be making their debut in a few weeks. Monterey County Transportation Agency (TAMC) approved the proposal in June and the Monterey County Board of Supervisors gave the green light in July. Permits are now being filed with Caltrans and the projected installation will be in six to eight weeks.

Step on a line break your mother's spine....

You know the rest of the children's rhyme.... Step on a crack break your mother's back. But did you know that the sidewalk in front of your home is your responsibility to maintain, repair and replace, if necessary? It is also the homeowner's job to make sure that the sidewalk is accessible for use, so cut back limbs and shrubs that prevent people from using the walkways.
